Unto Us a Son Is Given

Over the last few weeks, we have been looking forward to the advent of Christ, the promised Messiah. Isaiah 9:6 tells us that Emmanuel (God with us) will come and he has come as Jesus Christ. The birth of Christ marks a moment of tremendous joy as God became flesh and dwelt among us in humble form, being born into the poorest setting. It is in this time of advent that we look forward to “birthing” a new church.

It is with the joy and excitement of beginning something new mixed with the sorrow of leaving the parent church that we launch our new church in Coquitlam. Our prayer is that God would add to our number “day by day those who were being saved” (Acts 2:47) just as He did at the advent of the Holy Spirit in the church at

Jerusalem. We also desire to be a light in the darkness, reaching out to the lost and bringing about the Kingdom of God in this city through serving the needs of the people around us and building relationships with our neighbours. Our mission is to *be* the Church in this place and *bring* the Gospel through word and deed to the lost.

As part of our worship service, we will be studying the Bible, worshipping God with singing and other forms of worship, and praying together. We will also be sharing a meal together. We look forward to fellowshiping in Christ together with you all!

Peace in Christ,

Mark and Alicia Carter
