

EQUIPPING RETREAT 2015

{APRIL 11-12} {\$60/PERSON + FERRIES}

Theme: Being Disciples & Making Disciples... Continued.

Last year we began this discussion. What does it mean to be disciples of Jesus? And, how do we go about the work of helping others become his disciples as well? This year we're going to continue on with the topic.

Much has been happening in the background, which we will share about.... and we'll look to take the discussion to the next level of understanding. It's going to be great.

Travel:

April 11 - We will depart on the **9:20 ferry** leaving for Langdale. Lets try and take as few vehicles over as we can - this will limit the cost for us. Those leaving from the North Shore, we'll rendezvous at the Lambkins at 8:30AM. **April 12** - We will return on the **11:30 ferry** getting us back to Horseshoe Bay for **12:10pm**.
